

Eutelsat announces the appointment of Juan Pablo Cofino as Regional Vice President – CEO of Eutelsat Americas

Miami, Paris, March 11, 2021 – Eutelsat Communications announces the appointment of Juan Pablo Cofino as Regional Vice President – CEO of Eutelsat Americas.

Juan joins Eutelsat from Intelsat where he was Regional Vice President, LATAM & Caribbean. He brings to Eutelsat over 20 years' industry experience and a strong track record of value-generation, having previously occupied senior international executive positions at leading companies in the Americas region, including ATN International, Tigo (Millicom Group) and Agreca (Grupo Progreso).

Reporting directly to Philippe Oliva, Eutelsat's Chief Commercial Officer, Juan Pablo Cofino will lead the Eutelsat teams in the Americas and will spearhead the company's commercial forces within the region. He replaces Mike Antonovich in this role, who has decided to continue his professional career outside the Group.

A Guatemalan national, Juan Pablo Cofino holds an Industrial Engineering degree from North Carolina State University and a Master's degree in Business Administration from the Universidad Pontificia Católica de Chile.

Commenting on the appointment, Philippe Oliva, said: *"I am delighted to welcome Juan to the Eutelsat group, as the head of our American markets. Juan's wealth of industry experience will be a true asset for us within these markets, which encompass well-established media, mobility and data companies, as well as new business ventures who place satellite resources at the centre of their growth strategies. I'd like to take this opportunity to warmly thank Mike for his key contribution to Eutelsat's development and to wish him well in his future endeavors."*

About Eutelsat Communications

Founded in 1977, Eutelsat Communications is one of the world's leading satellite operators. With a global fleet of satellites and associated ground infrastructure, Eutelsat enables clients across Video, Data, Government, Fixed and Mobile Broadband markets to communicate effectively to their customers, irrespective of their location. Over 6 600 television channels operated by leading media groups are broadcast by Eutelsat to one billion viewers equipped for DTH reception or connected to terrestrial networks. Headquartered in Paris, with offices and teleports around the globe, Eutelsat assembles 1,200 men and women from 50 countries who are dedicated to delivering the highest quality of service.

Eutelsat Communications is listed on the Euronext Paris Stock Exchange (ticker: ETL).
